## **ITINERARY**

### **DAY 1 (June 6): Montreal Arrival – Free your Joie de Vivre!**

Catch a morning or afternoon flight into Montreal because this evening, we're scheduled for a very special kind of evening welcome reception: a mixology class and full cooking lessons at **Ateliers & Saveurs**, Montreal's premier boutique cooking school. That's right – tonight is not just about getting to know each other, or enjoying some excellent food and cocktails; tonight, we start our trip off right by getting our creative juices flowing in the kitchen. *Bienvenues à Montreal!*

**Dinner included at Ateliers & Saveurs.**

### **DAY 2 (June 7): City Wanderings and Sketch Inspirations**

Today, we get to know Old Montreal on a guided walking tour – an urban exploration of historic architecture and inspirational art. Of course, it's not just about looking; we're also creating!

Our watercolor sketching guru, Jane LaFazio, is on location, instructing, inspiring and encouraging us to wander and sketch this charming city. See where your feet lead you: past street musicians, into boutiques, through gardens, and into galleries and museums. From the historic streets to the rooftop decks, it seems that every corner of charming Montreal is filled to brimming with art.

### **DAY 3 (June 8): Luxury Train to Quebec**

After breakfast, private transportation ferries us to the train station. We're traveling business class (with priority boarding) to Vieux Québec! We know it's all about the little details, so we've reserved a special business-class lounge car, complete with WiFi Internet, beverage service, and snacks.

We'll arrive mid day, so as soon as you're settled at the Hotel Clarendon, you'll have the afternoon free to explore – an easy task, considering that our hotel is within the "walls of the city." That means we're within walking distance of everything you'll want to see, including shops and street musicians, cafés and restaurants, gardens and galleries. Be sure to rest and sketch, whenever the creative spirit moves you.

## **Breakfast included at the Hotel Clarendon.**

### **DAY 4 (June 9): Walking for Inspiration**

Start the day off right with a guided walking tour of Old Québec. The morning light is particularly beautiful, illuminating ancient stone and revealing hidden corners of the city. We're on location with Jane all morning and afternoon.

You'll have the evening free to explore and create.

## **Breakfast included at the Hotel Clarendon.**

### **DAY 5 (June 10): Sightseeing Quebec's Most Beautiful Natural Watercolor**

If you're dreaming of a different sort of inspiration, today's full-day excursion to the Ile d'Orleans, an island that measures just 21 miles long and 4 miles wide, and which offers spectacular panoramic views of the St. Lawrence and the Laurents Mountains. This is raw inspiration at its best: Mother Nature's finest landscapes, painted with the brush of time, sunlight and waterfall mist. How will your hand interpret what your eyes have seen? A stop at one of Ile d' Orleans premier wineries for a private tour, tasting and lunch at the Vineyard! Time to wander, sketch and take in the beautiful vistas.

Once back in our hotel we'll meet in the studio for an aperitif, to share stories and your creations.

The evening is yours to create; take in an evening of jazz at the hotel lounge, a horse-drawn carriage ride or sit in the park across from your hotel and capture a moment for the last page in your journal. Wander. Wonder. Enjoy.

## **Breakfast at the Hotel Clarendon.**

### **DAY 6 (June 11): Departure for Home**

We're sorry to say, today we bid *adieu* after breakfast. Depart for home – or, take advantage of our lovely setting and book a few extra days in Quebec.
